

# Thetford Rotary Club needs YOUR Help

- ◆ Our numbers are declining and we now have only 20 members.
- ◆ We have still managed to raise funds and in the last year we raised over **£5000.00** which we have used to support our local community and some internationally deserving causes.
- ◆ We have organised two concerts at the Carnegie Hall and raised further funds by collecting at local supermarkets and other events
- ◆ Our members are not getting any younger and to help us with the organisation of these fund raising events, bring in new ideas and help us to keep generating these much needed funds for those less fortunate than ourselves: -
