RACSRAG Newsletter

Mark Little has again asked me to distribute the Newsletter to you all. He puts in a plea for more **active** members : "because the more we can increase the intelligence and decibel level of the global conversation deploring the evils of slavery, the more likely we are able to reach the ears and hearts of the stakeholders and decision makers, ie lawmakers, politicians, judges, police, as well as the slave masters, traffickers and men on the street buying the girls.
