

Hello,

We hope that you've found Rotary's [Brand Center](#) a useful tool to create customized logos and brochures and tell Rotary's story in a consistent and engaging way.

We'd like to inform you of a recent change to the online tool. Starting 4 April, any logos or brochures you create using one of our templates will be automatically deleted from your profile 30 days after your last change or edit. Logos and brochures created before 4 April will be deleted on 2 May, unless you make a change or edit to the template.

We recommend that once you have finished your customized logo or brochure, you download the document as a PDF, PNG, or JPG to your own computer.

Reminders of this change will be posted on template and logo pages.

Regards,

Rotary
