

Ely Band Concert

To the Rotary Club Secretary,

Please would you announce to your Club that we are staging another Band Concert in Ely, this time in tribute to our Queen's 90th birthday year. It is quite special in that TWO bands will be playing alternately from the same stage, satisfying the musical appetite of everyone who loves Miller-style music of the 30s/40s/50s, and the trad band music of the 60s and 70s such as played by Kenny Ball and similar bands. Both Opus 17 and Barry Tyler's ODJB (Original Dixieland Jazz Band) are well-known in the area, and have played for us previously.

Attached is our invitation letter, which carries a cut-off strip which can be printed off to send a cheque to the organiser. all the information is in that letter.

We hope you will have some members who would enjoy supporting this event. This will be truly appreciated.

Thank you.

Eric Grant, Ely Rotary Club.

ROTARY CLUB OF ELY
