Subject: Medical elective

To whom it may concern,

I am a medical student in my fourth year at Norwich Medical School. In July I am participating in a project with a non-profit organisation that brings medical care to villages along the Peruvian Amazon that are only accessible by water. I was wondering if your organisation provided grants for these kinds of projects?

If this is not possible then apologies for the email, and thank you for taking the time to read this.

Kind regards,

Dara Fallon
