

Zone In Newsletter -- Update and Notice of Cancellation of Peace Conference.

On page 5 of the Zone In Newsletter issued at the beginning of March there was an article advising that A National Youth Peace Conference was to be held in Coventry on Monday 10th April 2017.

Regrettably, due to funding issues beyond my control, the event has had to be postponed,

For the avoidance of any doubt however it should be stated now that the cancellation is in no way due to Rtn Jean Best and the presentation Team from The Rotary Peace Advocacy Project to whom I express both my thanks for their efforts to make the event happen and my regret that it has been necessary to cancel the event.

A full report of the reasons for the cancellation will feature in the next edition of Zone In Newsletter.
