# Please Help Plan Our New Heritage Project

With development funding from the Heritage Lottery Fund, we're planning a new all-ability trail into Thetford Forest which will link and interpret its landscape history, wildlife and how the forest is managed for timber.

The Forestry Commission needs your help with this planning.

**Please come to a Consultation Event on either**

**Thursday 7 July 6pm – 8.30pm**

**or Sunday 10 July 10.00am – 12.30pm**

**At Oak Lodge Community Building, High Lodge.**

Learn more about the project; suggest and choose heritage and wildlife activities for all ages to be included in the project and help select the trail route.

Please email **[anne@providence28.fsnet.co.uk](mailto:anne@providence28.fsnet.co.uk)** if you'd like to attend so that we have numbers for refreshments; no site entry charge to those taking part.
